All Sapa Building Systems' products are available in a wide range of polyester powder coat finishes.

Our Standard range as shown here is Matt finish as supplied by Akzo Nobel in their Interpon D1036 range.

Certain product ranges are available in House Finishes as defined in the boxed section. Please call Customer Services for further details.

Other Interpon and Syntha Pulvin finishes are available as Premium Finishes and are subject to a surcharge.

Other finishes can be supplied to order as Special Finishes. Details of costs and lead times on application.

Our policy of ongoing product development means this range is subject to change.

Please ensure that you have the latest version of this chart by checking the date and issue number at the bottom right hand corner.

For technical reasons associated with colour reproduction, the colours shown give only an indication of shade. No guarantee can be given that they will exactly match the powder product.

To ensure the correct colour match for your requirements, please order a Colour Plate from our Marketing Team by phone or email as shown below.
